***COUNTY OF MENDOCINO ANNOUNCES  
SELECTION OF AIR POLLUTION CONTROL OFFICER***

On April 21, 2013, the Mendocino County Board of Supervisors announced the unanimous appointment of Robert A. Scaglione as the new Air Pollution Control Officer for the County's Air Quality Management District.

Mr. Scaglione brings over 35 years of experience to his new role, including public and private sector work handling a variety of environmental, health and safety compliance functions. He has been employed with Mendocino County for over 12 years serving as a Senior Air Quality Specialist since 2008, and was the 2008 recipient of the California Air Pollution Controls Officers Association (CAPCOA) Outstanding Inspector Award.

Regarding his new appointment Mr. Scaglione said, "It is an honor and privilege to continue the District's goal of maintaining healthy ambient air quality in Mendocino County in my new capacity. We as a District look forward to working closely with our permit holders and the public, as well as county and state agencies, to provide the assistance and open communications necessary to meet air quality requirements and maintain the quality of life that our community has come to expect".

Prior to his employment with Mendocino County, Mr. Scaglione was employed by Advanced Manufacturing & Development, Inc. as an Environmental, Health & Safety Officer and worked 19 years for the Masonite Corporation.

Mr. Scaglione attended the University of Wisconsin – Milwaukee School of Engineering (Mechanical Engineering Studies) and the Milwaukee Technical College.

*"The Board of Supervisors is pleased to appoint Robert A. Scaglione, who has been serving in the capacity of the County's Acting Air Pollution Control Officer. Mr. Scaglione has a long history of working successfully with government agencies, businesses and individuals to preserve the excellent air quality that we enjoy in Mendocino County."* stated Board Chair Dan Hamburg.
