## ***COUNTY TO RECOGNIZE PUBLIC SERVANTS DURING "PUBLIC SERVANT RECOGNITION WEEK"***

On Tuesday, May 2, 2017, the Mendocino County Board of Supervisors joined the United States Congress in the recognition of Public Servants during "Public Service Recognition Week," May 7<sup>th</sup>-13<sup>th</sup>, 2017.

Since 1985, the first full week of May has been designated by Congress as "Public Service Recognition Week" to honor the men and women who serve our nation as federal, state, county, and local government employees. The men and women who work for our government tackle some of the most important challenges and opportunities facing our country and global community. Public servants support small businesses and struggling communities to strengthen our economy. They provide public safety, our national defense, care for our veterans, promote student achievement, and protect our environments. They do all these things and much more with a sense of ingenuity, persistence, patriotism and a strong commitment to help others.

During "Public Service Recognition Week," let us embrace the hopeful spirit that embodies the extraordinary work of our public servants as we celebrate all the men and women who have answered the call to serve our country and our communities as government employees, now and throughout history.

On behalf of Mendocino County, I would like to take this opportunity to recognize all County employees for their dedication and essential public service to our community.
