***SURVEY SEEKS COMMENTS FROM COUNTY RESIDENTS ON THE IMPACTS OF INTERNET
AND PHONE SERVICE OUTAGES***

In coordination with the Broadband Alliance of Mendocino County, the County Executive Office is asking county residents to fill out a quick online survey. The purpose of this survey is to gather data on what types of impacts were felt by the internet and phone service outages that were experienced beginning on Sunday, August 3, 2014, and originated from the Comptche-Ukiah Road area.

The purpose of this data gathering is to assist the Broadband Alliance of Mendocino County, in coordination with County elected leaders, to resolve this connectivity issue for many of the county's residents and prevent it from happening again.

The online survey can be found at the Broadband Alliance homepage at www.mendocinobroadband.org, or at the County's home page at www.co.mendocino.ca.us under "Areas of Interest" on the right-hand side.

For more information, please contact the Mendocino County Executive Office at (707) 463-4441.
