***COUNTY OF MENDOCINO ANNOUNCES LEADERSHIP CHANGE
WITHIN THE DEPARTMENT OF PLANNING AND BUILDING SERVICES***

Acting Planning and Building Services Director, Mr. Roger Mobley, has announced his resignation from County employment, effective September 7, 2012. Mr. Mobley is the County's Chief Planner, and began service as Acting Director of the department on January 22, 2012.

Effective Monday, August 20, Deputy Chief Executive Officer Steve Dunicliff will assume all administrative responsibilities within the Department. Mr. Dunicliff has a history of working closely with the County's Public Resource Departments, and he has been instrumental in the ongoing initiative to "enhance customer service, streamline the permit process, and foster inter-departmental collaboration".

Mr. Dunicliff is a twelve year resident of Mendocino County, who began his employment with the County's Executive Office in June of 2008. Mr. Dunicliff earned a bachelors degree in economics from the University of Nebraska, with an emphasis in business management. He has also been licensed by the State of California as both a real estate broker and a general building contractor.

Chief Executive Officer Carmel J. Angelo was quoted as saying, "I wish Roger Mobley the best in his new endeavors. He is an experienced planner, and he will be missed." CEO Angelo further stated, "The administrative and practical experience DCEO Steve Dunicliff brings to his newly expanded role with the department gives me great confidence that this transition will be a smooth one."

With this change, the recent recruitment for a permanent Director of Planning and Building Services will be deferred, pending an organizational assessment. A recruitment effort has already begun to hire a new Chief Planner.
