***Board of Supervisors to Receive Informational Presentation by
Mendocino County Retirement Administrator on November 30, 2010;
Interviews to Fill Retirement Board Vacancies Scheduled for December 7, 2010***

One item anticipated drawing considerable interest at the November 30, 2010, meeting will be an informational presentation made by the Mendocino County Employees' Retirement Association (MCERA) regarding the current level of assets in the Pension Trust and comparative investment performance of the Association during the recent recession period.

As previously reported, the Board of Supervisors will consider filling two vacancies on the Retirement Board with applicant interviews being held on Tuesday, December 7, 2010, at the Board's regularly scheduled meeting.

"We are committed to filling the two vacancies on the Mendocino County Retirement Board as quickly as possible," said Chair Carre Brown, "this staggered scheduling will ensure that the Board and the interested applicants will be given sufficient time to become fully acquainted with all aspects of this critical issue and allow the Board to make informed decisions when filling these vacant positions."
