***UKIAH OFFICES OF PLANNING & BUILDING SERVICES AND
ENVIRONMENTAL HEALTH ARE RELOCATING TO 860 N. BUSH STREET***

The Department of Planning & Building Services and the Division of Environmental Health will be relocating their offices into one new location within the County Administration Complex. We look forward to the opportunity to provide a more efficient method of service and appreciate your patience for any inconvenience experienced during this transition period.

Limited services will be available at the existing counter of Environmental Health on Thursday, January 12, and Friday, January 13.

Limited services will be available at the existing counter of Planning & Building Services on Friday, January 13.

The consolidated location will be closed on Monday, January 16, in observance of Martin Luther King, Jr. Day, and also closed on Tuesday, January 17. Limited services will be available at the new location on Wednesday, January 18, 2012, with full services available on Thursday, January 19.

Files will not be available for records search during this time. Permits will be issued on an emergency or appointment basis, and building inspections will be conducted as usual. The public is encouraged to call in advance during this period of time to verify staff availability. The Department of Planning & Building Services may be reached at (707) 463-4281; the Division of Environmental Health may be reached at (707) 463-4466.
