PROGRAM DISCUSSION

Programs: The mission of the Office of the Clerk of the Board is to strive for excellence in public service by providing respectful and responsive service to the Board, the community, and customer departments.

This is achieved by cultivating a work environment that fosters employee excellence, encourages training and development opportunities, enables its professional staff to provide a diverse array of services in support of the Board of Supervisors, and affords quality service to the citizens of Mendocino County. Additionally, this office is dedicated to pursuing advancements in records management technology whenever feasible to protect the integrity and availability of the public records under its guardianship.

The Clerk of the Board manages the business of the Board of Supervisors and is the Department Head for the Board of Supervisors and Clerk of the Board functions.

Pursuant to government statutes, most Clerk of the Board programs are mandated by the State of California, while others are established pursuant to local regulations or administrative policy. Departmental staff performs a variety of functions in support of the Board and individual District Supervisors, including Board business services, constituency support services, regulatory and policy guidance, technical support services, and associated responsibilities. Staff promotes close coordination and cooperation with Board members, County agencies and departments, community representatives, members of the public, and State and Federal agencies. The Program Chart graphically displays the programmatic and operational responsibilities of Clerk of the Board Office.

Public Trust: Clerk of the Board staff strive to promote a professional, responsive, and knowledgeable staff to respond to public inquiries, community needs, and requests for service.

Practices: Clerk of the Board staff further supports the Board and the organization by providing administrative, regulatory, technical, and programmatic guidance associated with the following areas of service: Board operations; Board business services; constituency services; land use matters (Appeals, Williamson Act contract execution/Agricultural Preserves, Subdivision Map Act processing, property acquisition/recording, regulatory guidance); Board of Equalization; Board

records management including administration of an automated records imaging and retention system, systems administration and operation of 18 computer workstations; administration of a systems server and local area network; and maintenance of the departmental website. Additional programs administered by the Clerk of the Board include boards and commissions (in excess of 115 boards/1,100+ individual appointees), special districts, community services districts, advisory committees, and various other boards and commissions; contract management; codification of County Ordinances and maintenance of the Mendocino County Code. Staff also performs duties associated with serving as the secretary to: the Public Facilities Corporation, the Redevelopment Agency of the County of Mendocino, the IHSS Public Authority Governing Board, the Mendocino County Water Agency, the City Selection Committee, and the Employee Suggestion Award Committee.

Staff attends all meetings of the Board of Supervisors and executes associated records, adhering to strictly mandated production schedules for agendas, legal notices, and meeting minutes. Staff also prepares Board initiated staff reports, Committee reports, and special projects as directed. Staff is responsible for preserving all records of the Board of Supervisors, serving as the records center for County offices and the public on all Board actions. In addition, Clerk of the Board staff assists others by providing administrative, regulatory, technical, and programmatic guidance related to Board actions.

People: The Clerk of the Board's staff will continue to provide professional and responsive service to the community; within available staffing resources; explore service enhancements to better meet the needs of the public and County departments, and provide business support services to the members of the Board.

MAJOR ACCOMPLISHMENTS IN F/Y 2008-09

Programs: Meet all mandated deadlines, staffed all essential Board meetings, coordinated and carried out a myriad of Board directives, and offered guidance to fellow departments and neighboring counties in executing various business transactions. Implemented the second phase of the agenda webposting in March 2009 by expanding access to supporting document-

online access to audio-recordings of Board proceedings; transitioned (Phase I) responsibility for business support services for the Ukiah Valley Sanitation District Board to the newly elected Board (and will implement Phase II transition of records custodian services in Fiscal Year 2009/2010); and provided policy review and orientation services to two newly elected Board members.

Public Trust: Maintained effective and efficient operations preserving the quality and integrity of the work executed by the Clerk of the Board office.

Practices: Supported the Board in its community outreach efforts by coordinating off-site and evening Board meetings throughout the County; expanded online resources to maximize paper conservation efforts; and implemented a number of service modifications in March 2009 impacting internal operations and constituency services.

People: Expanded online resources for public access to information; offered individualized Clerk of the Board in-service trainings to County departments by request (see **Programs** above); and implemented various service modifications in March 2009 to address a 20% staffing reduction and address operational implications of County-wide mandatory time off.

GOALS/OBJECTIVES FOR F/Y 2009-10

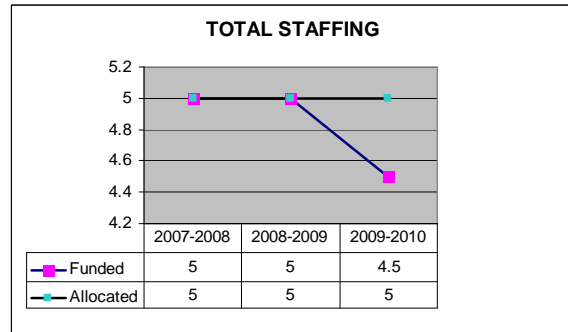

Programs: Complete various website enhancement projects; expand public access to Board information; research automated solutions for effective systems management; and explore conversion of the Boards and Commissions management/tracking system.

Public Trust: Maintain effective and efficient operations preserving the quality and integrity of the work executed by the Clerk of the Board staff.

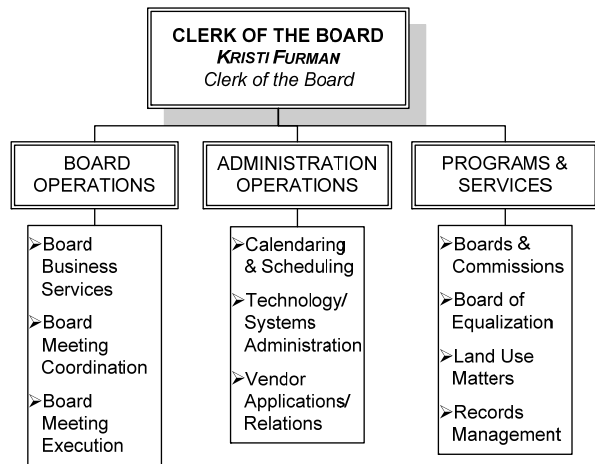

Practices: Post expanded information online for the benefit of the public and to further paper conservation practice.

People: Maintain a focused and concentrated effort in meeting the needs of the citizens, including online access to Board information, supporting the Board's outreach to various communities by conducting off-site and evening Board meetings; work with County departments in the evolution of the Board's agenda management system; and actively monitor service levels in sustaining compliance with the department's policy and production mandates.
