CARMEL ANGELO APPOINTED ASSISTANT CHIEF EXECUTIVE OFFICER

Ukiah, California...September 9, 2009

On Wednesday, September 9, 2009, Mendocino County's Chief Executive Officer, Tom Mitchell, announced the appointment of Carmel Angelo as Assistant Chief Executive Officer.

For the past two years Ms. Angelo has been the Director of the Health and Human Services Agency, which employs roughly half of the County's workforce. The Agency provides Mental Health, Public Health and Social Services for close to thirty percent of the community throughout the county.

"Under Angelo's direction, the Health and Human Services Agency continued integrating services into systems of care while operating within a balanced budget during a significant economic downturn. This is just the kind of leadership our County needs," said CEO Mitchell. *"I am looking forward to working with Carmel as we create a more efficient and effective County government for our community."* Angelo will start her new position immediately.
