### *County Encourages Submissions for 2011 Legislative Platform*

The Mendocino County Executive Office is in the initial stages of developing its Legislative Platform for 2011. This document serves as a guidebook for State and Federal legislators and staff on specific issues important to the County. The platform identifies problems, and suggests legislative remedies.

If you, or an organization you are affiliated with, are aware of an issue that can be fixed or improved upon by legislative action on either the State or Federal level, we would like to hear about it. All submissions for consideration to be added to the 2011 Legislative Platform must be made through the County's Issue Request Form, which is available by emailing the Executive Office at [ceo@co.mendocino.ca.us](mailto:ceo@co.mendocino.ca.us) or by calling our office at (707) 463-4441. All submissions must be made on the Issue Request Form and emailed to the above address by October 8, 2010 and we encourage you to contact our office if you have any questions.
