Sean White
President
Mendocino County Fish & Game Commission

Dear Commissioner White,

I am writing to express to you my interest in participating as a member of the County Fish & Game Commission as a Commissioner, should the opportunity present itself. My reasons for wanting to serve are multifaceted. I wish to serve the public as representative in making project funding recommendations to the County Board of Supervisors through the Fish & Game Commission recommendation process. I also wish to be a voice of my community, to bring forth issues related to fish, wildlife, habitat, hunting, diving, and fishing in our county. I also believe being on the Commission can help me to role model and mentor my children by showing them it is important to be active in the democratic process at the local level.

I have been a hunter, diver, fisherman, and archer my whole adult life. I am somewhat in tune to management practices, regulatory processes, and the ethics of being a sportsman. I was a reserve Deputy Fish & Game Warden from 1985 to 2000. I attended POST Level II training in 1985 and completed a POST basic police academy in 1987. I have been assigned to Warden Squads in North LA County, San Diego County, Riverside County, and Mendocino County. As a Deputy Warden I had frequent contact with sportsman and poachers. I developed an understanding of the sportsman's culture and their desire to be part of the game & fish management process through their sport.

I have worked as an employee of Cal Fire from 1983 to present. I am retiring March this year with over 30 years of service from my present position of Battalion Chief. During my career I have been assigned to the Vegetation Management Program and have worked on multiple projects to improve wildlife habitat through burning. As a Fire Captain I have supervised inmate fire crews in conservation, habitat and fisheries management projects, and have seen the benefits of those projects. I am also familiar with government or bureaucratic processes, including CEQA. As an Employee of Cal Fire I have been assigned to Riverside County, Mendocino County, San Diego County, and Humboldt County.

I believe I can contribute positively to the commission with its limited scope and authority. I like to think of myself as a voice of reason that has some real life experience to bring to the table. I also believe I could benefit from the commission by becoming more tuned into matters concerning the management of fish and wildlife in our county, and by developing new personal relationships beyond those I have garnered through my past as a state employee. Thank you for your time and consideration.

Sincerely

A handwritten signature in black ink, appearing to read "Terry Guerrero", written in a cursive style.
