## MEMORANDUM

DATE: FEBRUARY 9, 2016  
TO: BOARD OF SUPERVISORS  
FROM: RUSSELL FORD – CARTOGRAPHER PLANNER  
RE: PRIVATE ROAD NAME PETITION RN 2015-0005 (ROAD 19)

Some years ago, the Little River Fire Department unofficially renamed several private roads in their district to help facilitate accurate and timely response in the event of an emergency. Despite the fact that no petition was submitted to re-name the roads through the official process, residents and the local post office have adopted the names into general use, causing confusion between the county records and the 'on-the-ground' information.

To remedy this, the Department of Planning and Building Services is sponsoring a petition to officially re-name one of these roads and help eliminate confusion. This petition is to rename "Little River I Road" to the commonly used *Road 19*.

*Road 19* is accessed from Albion Little River Road (CR 403), approximately .80 miles east of its junction with Little River Airport Road (CR 404). *Road 19* currently serves as the primary access for approximately 10 existing residences. Current property owners were notified of the intended petition via mail. All responses received by the Department were in favor of the re-naming.
