SUBJECT: Private Road Naming Petition – RN\_2015-0004

Dear Property Owner:

The Mendocino County Department of Planning and Building Services is in the process of submitting a petition to the Board of Supervisors to request the name Davidson Lane be adopted for the private road serving your property. Currently, the road is an unnamed access road and could cause confusion for Emergency Service responders. The action of the Board of Supervisors, in granting the petition and naming the private road does not accept or imply ANY County responsibility or liability for the operation, use or maintenance of the said private road, including the creation or maintenance of identifying signage. The requested action is for the sole and exclusive purpose of identifying and distinguishing said road to aid the application of emergency services and for the convenience of the general public.

This road name petition is scheduled for the Board of Supervisors regular meeting on **Tuesday, February 9, 2016 at 9:00 a.m.** or as soon thereafter in the Board of Supervisors Chambers, 501 Low Gap Road, Room 1070, Ukiah, California. If you object to this road name petition, please submit any written objections to the Department of Planning and Building Services **prior** to **February 8, 2016**.

Adoption of the requested road name will permit assignment of new house numbers for all currently addressed properties served by the subject road (if necessary), and the new number will be issued together with individual notices of the adoption of the road name. Please send any written comment on this petition to the Mendocino County Planning and Building Services, 860 North Bush St., Ukiah, California 95482, prior to the above date. Should you have any questions regarding this matter, please contact this office.

Sincerely,

A handwritten signature in blue ink, appearing to read "Russell D. Ford".
