■ AGENDA TITLE: Approval of Letter of Support for AB 2516 (Wood), "Medical Marijuana State Cultivator License Types"

■ PREVIOUS BOARD/BOARD COMMITTEE ACTIONS: March 15, 2016: The Board discussed recommendations for revisions to the County's current medical marijuana regulations, including adoption of various permits, including a "cottage" type permit that is not currently provided for in state law.

■ SUMMARY OF REQUEST: The Board of Supervisors is requested to authorize the attached letter of support for Assembly Bill 2516, introduced by Assembly Member Jim Wood, which would add a type 1C "specialty cottage" license type, in addition to those currently authorized by the Medical Marijuana Regulation and Safety Act. As proposed, the specialty cottage license type would apply to "cultivation using a combination of natural and supplemental artificial lighting...of 2,500 square feet or less of total canopy size for outdoor cultivation, or 500 square feet or less of total canopy size for indoor cultivation, on one premises." The letter of support requests consideration of revisions to the proposed language that would create separate specialty cottage license types (1C, 2C, 3C) for outdoor, indoor and mixed-light cultivation.
