■ AGENDA TITLE: Discussion and Possible Action to Introduce and Waive Reading of Ordinance Amending Chapter 16.30 of the Mendocino County Code (Stormwater Ordinance)

■ PREVIOUS BOARD/BOARD COMMITTEE ACTIONS: On January 4, 2011, the Board adopted the Stormwater Runoff Pollution Prevention Procedure Ordinance, adding Chapter 16.30 to the Mendocino County Code. On August 23, 2011, the Board received additional information on this topic, and directed staff to return for additional discussion related to the Board's options (principally with regard to whether the Ordinance should continue to cover the entire unincorporated area of the county, or be scaled back to specified urban areas of the county)

■ SUMMARY OF REQUEST: The Ordinance before your Board has been modified by the Department of Planning & Building Services. This amended Ordinance will reduce the impacted areas of the county to those urban areas that are identified in the Storm Water Management Plan. It has also been altered throughout to be more easily read and understood, and now contains verbiage under 16.30.150 which states, in part, that the intent of the Ordinance is "not to punish and fine citizens of Mendocino County, but to educate them of ways to prevent pollution from entering the County drainage system and watercourses".

Additional information will be on file with the Executive Office the afternoon of Friday, September 23, 2011.
