**RE: ADOPTION OF RESOLUTION APPROVING AIRPORT CAPITAL IMPROVEMENT PLANS FOR  
THE LITTLE RIVER AND ROUND VALLEY AIRPORTS FOR FISCAL YEARS 2012 – 2017  
(LITTLE RIVER AND COVELO AREAS)**

Honorable Board Members:

Each year the Federal Aviation Administration (FAA) asks local airport sponsors to update their Airport Capital Improvement Plan (ACIP) for each airport for the next five years, outlining proposed capital improvements to be funded through the Airport Improvement Program. The ACIPs for Fiscal Years 2013 – 2017 are now due to be submitted to FAA. We are also recommending that you approve the revised FY 2012 ACIP's for each airport. The 2012 ACIP for Round Valley was revised to NO PROJECT. The 2012 ACIP for Little River was revised to include Environmental Assessment for the Albion Little River Road Realignment which was not funded in FY 2011.

Attached for your review are copies of the proposed ACIP projects for the Little River and Round Valley Airports for Fiscal Years 2013 – 2017. We have shown proposed FY 2012 projects in addition to FY 2013 - 2017, as we will be applying for AIP grants for FY 2012 in February for the Little River Airport.

I recommend that you approve the proposed ACIP for each airport and authorize the Director of Transportation to sign on behalf of the County all pertinent documents for processing.

I will, of course, respond to any questions that you may have.

Respectfully submitted,

**HOWARD N. DASHIELL**  
Director of Transportation
