RE: MENDOCINO JUMP START PROGRAM (Prop 84 NCIRWMP Grant)

Dear Ms. Jenkins:

This letter is to advise the NCIRWMP that the Mendocino County Water Agency no longer has the staff to manage this project and would request and support transferring the responsibility of project implementation to the Mendocino County Resource Conservation District (MCRCD). I have discussed this transfer with Janet Olave, Executive Director of MCRCD who indicates she is willing and able to assume responsibility for this project.

I believe this action is in the best interests of successfully completing the Jump Start program. If you have any questions concerning this matter or need anything further from me please contact me at your convenience.

Sincerely,

Roger Mobley
Acting Director
Mendocino County Water Agency
