■ AGENDA TITLE: Adoption of Proclamation Recognizing May 2012 as Mental Health Month in Mendocino County.

■ PREVIOUS BOARD/BOARD COMMITTEE ACTIONS: The Board routinely adopts proclamations recognizing special events and meritorious achievements.

■ SUMMARY OF REQUEST: May is recognized by the National Mental Health Association and the National Council for Community Behavioral Healthcare as Mental Health Month. Knowledge and education about Mental Illness and Mental Health concerns are the main focus of mental health professionals and advocates alike. Local proclamations assist in promoting the goal of awareness.

The focus of this year's campaign is to promote strategies that reduce stigma and discrimination that are often associated with mental illness and to promote mental health wellness and recovery.

HHSA Mental Health Services and Supervisors McCowen and Hamburg request adoption of the attached proclamation recognizing May as Mental Health Month in Mendocino County and encourage support for the public outreach and education activities of the Mental Health Branch.
