PREFACE

The Mendocino County Code, has been kept current by regular supplementation by Municipal Code Corporation, its successor in interest.

The code is organized by subject matter under an expandable three-factor decimal numbering system which is designed to facilitate supplementation without disturbing the numbering of existing provisions. Each section number designates, in sequence, the numbers of the Title, chapter, and section. Thus, Section 2.12.040 is Section .040, located in Chapter 2.12 of Title 2. In most instances, sections are numbered by tens (.010, .020, .030, etc.), leaving nine vacant positions between original sections to accommodate future provisions. Similarly, chapters and titles are numbered to provide for internal expansion.

In parentheses following each section is a legislative history identifying the specific sources for the provisions of that section. This legislative history is complemented by an ordinance disposition table, following the text of the code, listing by number all ordinances, their subjects, and where they appear in the codification; and beginning with Supplement No. 22, legislation can be tracked using the "Code Comparative Table and Disposition List."

A subject-matter index, with complete cross-referencing, locates specific code provisions by individual section numbers.

This supplement brings the Code up to date through Ordinance No. 4305, adopted February 12, 2013.

CHAPTER 9.31

**MEDICAL MARIJUANA CULTIVATION
REGULATION***

Sec. 9.31.010 Purpose and Intent.

It is the purpose and intent of this Chapter to regulate medical marijuana in a manner that is consistent with State law and which promotes the health, safety, and general welfare of the residents and businesses within the unincorporated territory of the County of Mendocino by balancing:

- (1) The needs of medical patients and their caregivers for enhanced access to medical marijuana;
- (2) The needs of neighbors and communities to be protected from public safety and nuisance impacts; and
- (3) The need to limit harmful environmental impacts that are sometimes associated with marijuana cultivation.

Nothing in this Chapter shall be construed to:

- (1) Allow persons to engage in conduct that endangers others or causes a public nuisance as defined herein;
- (2) Allow the use or diversion of marijuana for nonmedical purposes; or
- (3) Allow any activity relating to the cultivation, distribution or consumption of marijuana that is otherwise illegal under California State law. (Ord. No. 4291, 2-14-2012)

Sec. 9.31.015 Confidential nature of medical marijuana information legislative intent.

Pursuant to the California Compassionate Use Act of 1996, enacted by the voters of the State on November 5, 1996 and implementation statutes such as California Health and Safety Code section 11362.71, the County of Mendocino Board of Supervisors hereby finds and declares that all use information received by and/or generated by the

*Editor's note—Ord. No. 4291, adopted Feb. 14, 2012, amended Ch. 9.31, §§ 9.31.010—9.31.350 in their entirety. Former Ch. 9.31 pertained to similar subject matter and was derived from Ord. No. 4275, adopted May 17, 2011.

operation of Chapter 9.31 has always been intended to be treated and held by the County as confidential information to the fullest extent authorized by State and Federal law from 2008 to the present as well as prospectively. This is a declaration of past, current and prospective legislative intent for all versions of Chapter 9.31 dating back to 2008.

(Ord. No. 4302, 1-22-13)

Sec. 9.31.020 Findings.

(A) The voters of the State of California approved Proposition 215 (codified as Health and Safety Code Section 11362.5 and entitled "The Compassionate Use Act of 1996").

(B) The intent of Proposition 215 was to ensure that seriously ill Californians have the right to obtain and use marijuana for medical purposes where that medical use is deemed appropriate and has been recommended by a physician, and to ensure that patients and their primary caregivers who obtain and use marijuana for medical purposes upon the recommendation of a physician are not thereby subject to criminal prosecution or sanction. The Act further provides that "nothing in this section shall be construed to supersede legislation prohibiting persons from engaging in conduct that endangers others, or to condone the diversion of marijuana for non-medical purposes."

(C) The State enacted SB 420 in 2004 (codified as Health and Safety Code Section 11362.7 et seq.) to clarify the scope of The Compassionate Use Act of 1996, facilitate the prompt identification of qualified patients and primary caregivers, avoid unnecessary arrest and prosecution of these individuals, provide needed guidance to law enforcement officers, promote uniform and consistent application of the Act, and enhance the access of patients and caregivers to medical marijuana through collective, cooperative cultivation projects and to allow local governing bodies to adopt and enforce rules and regulations consistent with SB 420.

(D) Marijuana plants, whether grown indoors or outdoors, especially as they mature prior

to harvest, may produce a distinctive odor that may be detectable far beyond property boundaries.

(E) Each year since 2004, the Mendocino County Air Quality Management District has received a significant number of formal complaints of odor related to the cultivation of marijuana in residential neighborhoods.

(F) Marijuana, whether grown for medicinal purposes, or diverted to the black market, may be sold for thousands of dollars per pound.

(G) The strong smell of marijuana may create an attractive nuisance, alerting persons to the location of the valuable plants, and creating a risk of burglary, robbery and armed robbery.

(H) There have been several marijuana related incidents of burglary, robbery and armed robbery, some including acts of violence resulting in injury or death.

(D) A Store may provide to a Customer a Recycled-Content Paper Bag or a Reusable Carryout Bag upon request but shall charge the Customer, except as provided in Subsection (F), not less than ten (10) cents per bag.

(E) A Store will not be required to charge a Customer for a Recycled-Content Paper Bag of less than two hundred fifty (250) cubic inches capacity.

(F) For any Recycled-Content Paper Bag or a Reusable Carryout Bag sold to a Customer, the amount of the sale of the bag shall be separately itemized on the sales receipt. No store shall rebate or otherwise reimburse a Customer any portion of the charge required for a Recycled-Content Paper Bag.

(Ord. No. 4297, 6-12-2012)

No further enforcement action may be taken against the Store for that violation, if the Store cures the violation within thirty (30) days after receipt of the written warning and does not commit another violation within six (6) months after receipt of the written warning.

The Chief Executive Officer, or his or her designee, is authorized to take any and all other actions authorized by law which are reasonable and necessary to enforce this Chapter, including, but not limited to, investigating violations, and imposing administrative fines in amounts as may be established from time to time by ordinance.

(D) In addition to the administrative enforcement procedures described above, the County Counsel is authorized to pursue judicial enforcement of this Chapter through a civil action.
