

2008 Funding Sources for Fishery & Water Quality Improvement Projects

Funding Program	Agency	Project Types	Website
Fisheries Restoration Grant Program (FRGP)	DFG	Restoration projects that will directly benefit the salmon and steelhead trout in California.	http://www.dfg.ca.gov/fish/Administration/Grants/FRGP/index.asp
The NOAA Community-based Restoration Program (CRP)	NOAA	Projects that will result in on-the-ground restoration of habitat to benefit living marine resources, including anadromous fish species. These projects contribute to the return of degraded or altered marine, estuarine, coastal and freshwater anadromous fish habitats to a close approximation of their condition prior to disturbance.	http://www.nmfs.noaa.gov/habitat/restoration/funding_opportunities/funding_swr.html#regional
Coastal Counties Restoration Initiative	National Association of Counties (NACo)	Grants to improve stream, river, estuarine and other important marine habitats for County-led or supported projects.	www.naco.org/ccri
The Partners For Fish and Wildlife Program	USFWS – Arcata office	Projects on private and tribal lands that conserve or restore native vegetation, hydrology, and soils associated with imperiled ecosystems or otherwise provide an important habitat requisite for a rare, declining or protected species.	http://www.fws.gov/arcata/restoration/partners/default.htm
319 Nonpoint Source Implementation Grant Program	SWQCB	Nonpoint source pollution control projects that focus on impaired waters or TMDLs.	http://www.waterboards.ca.gov/funding/319h.html
Storm Water Grant Program	SWQCB	Reduction and prevention of Storm Water contamination of rivers, lakes, and streams.	http://www.waterboards.ca.gov/funding/prop84.html
Flood Protection Corridor Program	Dept. of Water Resources	Acquisition, restoration, enhancement and protection of real property while preserving and enhancing wildlife habitat in and near flood corridors.	http://www.dfm.water.ca.gov/fpcp/
Urban Streams Restoration Program	Dept. of Water Resources	Reducing damages from stream bank and watershed instability and floods while restoring the environmental and aesthetic values of streams.	http://www.watershedrestoration.water.ca.gov/urbanstreams/
Integrated Regional Water Management (IRWMP)	Dept. of Water Resources	Development and implementation of Integrated Regional Water Management Plans.	http://www.grantsloans.water.ca.gov/grants/irwm/integregio.cfm
Habitat Conservation Fund	State Parks	Acquire and restore land for animal, wetland and river habitat (includes anadromous salmonids).	http://www.parks.ca.gov/default.asp?page_id=1008
River Parkways Grants Program	Resources Agency	Protect, improve, or restore riparian habitat, including benefits to wildlife habitat and water quality, and provide corridors along streams compatible with periodic flooding as part of a flood management project.	http://www.resources.ca.gov/bonds_prop50riverparkway.html
