Dear Ms. Weselsky:

Subject: Redevelopment Successor Agency Dissolution

On March 4, 2014, the Mendocino County Successor Agency (Agency) notified the California Department of Finance (Finance) that all of the former redevelopment agency's debts have been paid off, remaining funds have been remitted to the county auditor-controller for distribution to the local taxing entities, and disposal of all remaining non-cash assets has occurred.

This letter acknowledges the end of the Agency's existence, and Finance will cease all future communication with the designated contacts.

Please direct inquiries to (916) 445-1546 or Finance's redevelopment email address at: [Redevelopment\\_Administration@dof.ca.gov](mailto:Redevelopment_Administration@dof.ca.gov)

Sincerely,

A handwritten signature in blue ink, appearing to read "JH", written over a horizontal line.
