Re: Seasonal Flu Vaccine Drive-up Clinic on September 25, 2010 at the Mendocino County HHSA, Community Health Services (Public Health) in Ukiah.

The Mendocino County HHSA, Community Health Services (Public Health) will hold a Seasonal Flu Vaccine Drive-up Clinic on Saturday, September 25, 2010 from 8:00 a.m. – 12:00 p.m. Seasonal flu vaccine at this clinic is available and recommended for anyone 19 years and older. The clinic will be held in the driveway of Community Health Services at 1120 South Dora Street, Ukiah. There is a suggested donation of \$10.00 per flu shot.

Although we will not be vaccinating children at this clinic, it is encouraged for persons 6 months and older to get vaccinated for the flu as soon as possible to help protect against the seasonal flu. Please contact your pediatrician, physician or Community Health Services for an appointment to get children's flu vaccine.

Seasonal Flu Vaccine is ESPECIALLY recommended for those with chronic health conditions such as: Diabetes, HIV, lung disease, kidney disease, heart disease, chronic liver disease, long term aspirin therapy, spinal cord injuries, seizure disorders, immune compromised and persons with neuromuscular disorders.

Please contact Community Health Services by phone in Ukiah (707) 472-2600 or 472-2700

or visit the Mendocino County web site www.co.mendocino.ca.us/hhsa/ for further details of scheduled flu clinics within the county.
