Cat Sale at Ukiah Animal Shelter

Mendocino County Animal Care Services is having a cat sale at the Ukiah Shelter! Starting on Tuesday, August 16th until the end of September cats and kittens will be on sale for \$50. Since cats love to have a friend, felines adopted in pairs will cost just \$80 for both. All felines have age appropriate vaccines, are spayed or neutered, have a microchip and are tested for FeLV/FIV.

A cardboard cat carrier and a bag of cat food are provided. Participating local vets offer a free wellness exam as part of our adoption. The Ukiah Shelter, located at 298 Plant Rd., is open for adoptions Tuesday, Thursday, Friday and Saturday 10-4:30 and Wednesday 10-6:30. Please come by and meet all of the great cats who are available for adoption.
