The County and the Union recognize their duty and obligation to comply with the provisions of this MOU and to make every effort toward fully and faithfully carrying out each provision. It is further understood and agreed that this MOU is not binding on the parties hereto until ratified by the Mendocino County Board of Supervisors and SEIU Local 1021.

## ARTICLE 1. RECOGNITION AND TERM OF MEMORANDUM

### 2. Term

This memorandum shall be in effect only for the period from July 1, 2015 through June 30, 2017. This amendment shall supersede any previous language. However, all other previous and specifically stated terms and conditions of employment shall remain in full force and effect.

The County shall provide an opportunity for the employee to respond in writing to any information placed in their official personnel record about which the employee disagrees. The response shall become a permanent part of the employee's official personnel record. The response shall fully describe the circumstances surrounding the issues(s) with which the employee disagrees, and it shall include a statement of facts, supportive documentation, and/or witnesses. An employee wishing to respond shall be responsible for providing the written response within thirty (30) calendar days, to be included as part of the employee's permanent personnel record.

C. Consent for Union Representatives to Review Records

Should an employee wish to have a Union representative review the employee's own personal records, the employee will provide the Union representative with a signed, dated letter indicating the employee's consent to have the employee's records reviewed. The Union representative shall present said consent letter to Human Resources Director or designated representative, prior to reviewing the employee's records. Authorization shall be valid for sixty (60) calendar days from the date of signature.

The County Human Resources Department shall keep the official personnel records of all employees.

D. Right to Review Adverse Comments

No employee shall have any comment adverse to the employee's interest entered in the employee's official personnel records file which may be used for disciplinary action, without the employee having first read, signed or initialed and been given a copy of the document containing the adverse comment; except that such entry may be made if, after reading the document, the employee refuses to sign or initial it. An employee shall have the right to have entered into their personnel file their own comments to the document by submitting said comments to the Human Resources Department within thirty (30) calendar days of the employee having received the adverse document. Should an employee refuse to sign or initial the document, that fact shall be noted on the document and signed or initialed by the supervisor. In the event an employee is not available due to resignation, termination, or leave of absence longer than thirty (30) days to read and sign or initial the document, a copy of the document with a notation stating "cc: Personnel file" will be mailed to the employee's last known address. For purposes of this Section, "Adverse" shall refer to comments critical of any aspect of the employee's performance of job duties.

E. Right to Seal Letter of Reprimand

An employee has the right to request in writing that a letter of reprimand be sealed within the employee's personnel file if two (2) years have elapsed from the date of reprimand and there has been no recurrence of the issue contained in the reprimand.

The Human Resources Director shall review the request and within fourteen (14) calendar days render a decision on the request. Should the employee disagree with the decision of the Human Resources Director, the employee has the right to pursue a remedy through the grievance procedure at Step 4.

F. Copies of Personnel Files

All personnel records are, and remain, the property of the County. At the employee's request, the employee shall be provided one copy of any document placed in the employee's file, except for employment applications. An employee must specify the documents that are requested for copying and shall pay the standard County copying fee.

6. Performance Evaluation

The County reserves the right to determine the method, the means, and the timing or necessity for employee performance evaluations, subject only to the following provisions:

- The employee's immediate supervisor shall formally evaluate an employee at least annually. Evaluation factors shall be job-related. Performance deficiencies, if any, and necessary corrective actions will be documented in formal evaluations. Evaluations shall include space for employee comments. An employee's signature on a performance evaluation indicates receipt of the evaluation only and is not to be construed as an agreement with the evaluation, or comments made by the evaluator.
- An employee serving a probationary period shall be evaluated after the completion of five (5) months and eleven (11) months. An appointing authority may require the evaluation of an employee at such other times, as the appointing authority feels appropriate.
- The appointing authority, or designee, shall arrange for explanation and discussion of the evaluation with the employee. The employee may make written comments regarding the evaluation that shall be attached to the evaluation, which shall be placed in the employee's personnel file.
- Should the employee choose to submit a written response to the evaluation, the appointing authority may reply to the employee's concern in writing and may modify the evaluation.

A. Right to Representation

When disciplinary action is indicated during the performance evaluation, the employee has the right to representation.

7. Conflict of Interest

Each bargaining unit employee who is affected shall be furnished with a copy of the Conflict of Interest Code adopted for the department in which the employee serves. The County Clerk shall maintain forms for statements required of bargaining unit employees by the conflict of interest provisions of the Political Reform Act of 1974 and Conflict of Interest Codes adopted thereunder.

8. No Discrimination

Provisions of this Memorandum shall be equally applied to all employees in the bargaining units without unlawful discrimination as to age, sex (including gender, gender identity, gender expression, transgender, pregnancy and breastfeeding) race, color, religious creed, national origin, physical or mental disability, medical condition, genetic characteristics or information, sexual orientation, political affiliation, military and veteran status, or any other consideration made unlawful by federal, state, or local law. The parties agree that the prohibition against sexual discrimination includes sexual harassment. The County and the Union shall equally share the responsibility of the application of this provision, or any other considerations made unlawful by federal, state, or local law.

9. Equal Employment Opportunity/Affirmative Action

The County of Mendocino has adopted an Equal Employment Opportunity/Affirmative Action Policy Statement that shall govern any and all actions arising from employment discrimination matters. An employee may elect to utilize this policy or the grievance procedure to address a complaint of discrimination.

A. Equal Employment Opportunity/Affirmative Action Program Policy Statement

The County of Mendocino is an equal opportunity employer and is committed to an active Equal Employment Opportunity/Affirmative Action Program (EEO/AAP). It is the stated policy of the County of Mendocino that all employees and applicants shall receive equal consideration and treatment in employment without regard to race, color, religious creed, ancestry, national origin, age, sex, marital status, medical condition, disability, physical handicap, military service, veteran status, or any other consideration made unlawful by federal, state, or local law. All such discrimination is unlawful.

All recruitment, hiring, placements, transfers, and promotions will be on the basis of individual skills, knowledge, and abilities, and the feasibility of any necessary job accommodation, regardless of the above identified bases. All other personnel actions such as compensation, benefits, layoffs, terminations, training, etc., are also administered without discrimination. Equal Employment Opportunity/Affirmative Action Program (EEO/AAP) will be promoted through a continual and progressive EEO/AAP.

The objective of an EEO/AAP is to ensure non-discrimination in the employment and, wherever possible, to actively recruit and include for consideration for employment, minorities, women, and the physically

handicapped.

To comply with applicable laws ensuring equal opportunities to qualified individuals with a disability, Mendocino County will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee; unless undue hardship would result.

Any applicant or employee who requires special accommodations to perform the essential functions of the job should contact the Human Resources Department and request such accommodations. The individual with a disability should specify what accommodation he/she needs to perform the job. The County will conduct an investigation to identify the barriers that make it difficult for the applicant/employee to have an equal opportunity to perform his/her job. The County will identify possible accommodations, if any, which will eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, the County will make the accommodation.

The Human Resources Director has been designated EEO/AAP Coordinator. Inquiries concerning the application of federal and state laws and regulations should be referred to him/her. If you believe you have been subjected to any form of unlawful discrimination, provide a written or verbal complaint to a supervisor or the Human Resources Director as soon as possible. Your complaint should be specific and should include name(s) of individual(s) involved and the name(s) of any witnesses. The County will take immediate action to make an effective, thorough, and objective investigation, and attempt to resolve the situation. The coordinator is responsible for administering program progress and initiating corrective action when appropriate. All personnel actions are monitored and analyzed to ensure the adherence of this policy. Regular annual reports are submitted to the Human Resources Director for review and evaluation of progress.

If it is determined that unlawful discrimination has occurred, effective remedial action will be taken, commensurate with the severity of the offense. The action taken by the County to remedy the situation will be made known to you, and the County will not retaliate, nor permit retaliation against you for filing a complaint.

To achieve the goals of our EEO/AAP, it is necessary that each member of this organization understand the importance of the program and his/her individual responsibility to contribute toward its maximum fulfillment.

**10. Americans With Disabilities Act**

Mendocino County will comply with all relevant Federal and State statutes, Fair Employment and Housing Agency (FEHA) provisions and applicable provisions of the Americans With Disabilities Act (ADA). The EEO/AAP policy adopted by the Board of Supervisors (3.9.1 above) contains appropriate language to insure protection for ADA-qualified individuals.

**11. Discrimination in Employment Prohibited**

Because the ADA requires accommodations for individuals protected under the Act, and because these accommodations must be determined on an individual, case-by-case basis, the parties agree that the provisions of this Memorandum may be waived in order for the County to avoid discrimination.

The Union recognizes that the County has the legal obligation to meet with the individual employee to be accommodated before any adjustment is made in working conditions.

Any accommodation provided to an individual protected by the ADA shall not establish a past practice, nor shall it be cited or used as evidence of a past practice in the grievance procedure.

A waiver may be granted for any provision of this Memorandum in order to undertake required accommodations for an individual protected by the Act. The County will provide the Union with notice of its intent to waive the provision.

**12. No Discrimination Based on Union Activity**

Provisions of this Memorandum shall be equally applied to all employees in the bargaining unit without

discrimination based on Union activity. Except as otherwise provided in this Memorandum, disputes under this Article shall be subject to Article 19 (Grievance Procedure).

**13. Employee Liability**

Division 3.6 of Title I of the Government Code establishes a County employee's liability for acts or omissions within the scope of employment and the County's obligation to indemnify and defend County employees for claims against them arising from those acts.

The County and County employees recognize their respective rights and obligations under these provisions of these laws as they exist at this time, and as they may be amended or given final, binding judicial interpretation.

**14. Reassignment / Relocation**

Assignment of job duties is a management right. It is the sole discretion of a department head to assign employees to job duties within the scope of their classifications or as emergency conditions require, in a manner to effectively carry out the functions of the department and service to the public.

The County and the Union recognize that reassignments may occur in the fulfillment of these functions.

However, in the furtherance of fairness to employees, creating better service to the public, and better communications and morale, the County agrees that in the absence of agreement by the employee, the County will provide the following information to an affected employee, prior to initiating a reassignment that requires the relocation of an employee to a facility more than 25 miles from their current job site:

- Provide ten (10) days written notice; and
- Provide a brief statement of the reasoning behind the decision, including readily identifiable County or departmental interests, missions, goals or organizational needs met by the relocation.

**A. Transfers**

- 1) A transfer may be initiated by either the employee's application, or the request and agreement of the departments involved.
- 2) The Human Resources Director must authorize movement to a different classification.
- 3) An employee transferring from one classification to a different classification in the same grade assignment must meet the positional qualifications and be able to effectively carry out the duties of the different classification or position [including any particular skills or duties - such as bilingual ability or evening work -assigned to the particular position].

**15. Meet and Confer Release Time**

Release time for the purpose of meet and confer shall be provided for five (5) employee members of the Union's bargaining team. Release time shall be limited to that which is statutorily required under Meyers-Milias-Brown Act (MMBA) (time spent at the negotiations table, in caucus with bargaining team, travel time, and in mediation and fact finding sessions).

Release time for meet and confer shall be limited to the normal work shift hours of employee negotiators. Time spent in the meet and confers process outside the employee negotiator's normal work shift hours shall not be compensated.

**16. Access to County Policies and County Code**

Employees will have access to the following set of documents at every County work site where five [5] or more members of this bargaining unit are assigned:

- EERP [Employer-Employee Relations Policy];
- Civil Service Rules;
- County of Mendocino Policy Manual;
- Title 3 of the County Code [dealing with personnel and employee matters];
- Safety Manual;

- County of Mendocino Emergency / Disaster Evacuation Plan Policy and Procedures;
- A current copy of the SEIU Memorandum of Understanding [to be provided by the Union];
- Discrimination/Harassment Complaint form; and
- FMLA, CFRA and Pregnancy Leave Request forms, and ADA Accommodation Request forms.

Within reasonable limitations, employees will be permitted to copy, print, or electronically download portions of these documents, policies and Title 3 [job-related portions] of the County Code free of charge.

Employees may request and receive by interdepartmental mail, within reasonable limitations, a copy of portions of the above referenced documents, policies and Title 3 of the County Code, free of charge from their department.

#### **ARTICLE 4. UNION RIGHTS AND RESPONSIBILITIES**

##### **1. Recognized Right to Represent**

The Union and its authorized representatives have the recognized right and responsibility to represent all members of the bargaining unit on all matters within the scope of representation. Employees have the right to represent themselves in accordance with Government Code § 3500 et. seq.

##### **2. Right to Reasonable Notice**

The Union has the right to be given reasonable written notice of any new or proposed amendment to any ordinance, rule, resolution, or regulation that is directly related to matters within the scope of representation.

##### **3. Employee Contact**

Subject to prior approval of the appointing authority or designee, Union-paid staff and Union stewards are permitted to meet with a represented employee during the employee's work hours on matters within the scope of representation. With the prior approval of the appointing authority or designee, investigation of grievances or pre-disciplinary investigations may be conducted on an employee's work time. Such meetings shall be held in non-public work areas, except that a Union staff member or steward may observe work being performed in public work areas. Requests to meet for the above purposes shall not be consistently or unreasonably denied.

##### **4. Meetings for Other Purposes**

Unless otherwise agreed to by the appointing authority or designee, meetings with employees for purposes other than those specified shall be conducted on the employees' own time (rest breaks, meal periods, before or after work).

##### **5. Meeting Space**

Upon request of the Union, the County may provide meeting space outside working hours, provided such space is available and the Union complies with all departmental rules and policies of the Board of Supervisors. Request for use of facilities shall be made in advance to the appointing authority or designee and will indicate the date and time of the meeting and facilities needed. The appointing authority shall notify the Union at the time of the request of any charges that are appropriate to offset the costs of such use.

##### **6. Communications**

The County's interdepartmental messenger service and- where available - its e-mail system may be used for individual Union-oriented communication between employees who are represented by the Union and between the paid staff of the Union and such employees.

The Union understands that the continuance or discontinuance of the interdepartmental messenger service and its e-mail system is a matter within the sole discretion of the County, and that not all work locations or employees have e-mail or Internet access. This section does not create a duty to provide e-mail or Internet access to any employee.

The Union agrees to indemnify, defend, and hold harmless the County and its officers, agents, and employees from any claim liability or damage arising out of this provision.

##### **7. Bulletin Boards**

The County will furnish adequate bulletin board space measuring approximately 36 x 48 inches for the exclusive use of the Union. Both parties recognize there might be locations where a bulletin board of lesser size may be required. Bulletin boards shall be located in mutually acceptable areas and shall, when possible, be out of plain view of the public. The County shall install new bulletin boards in areas where the Union and the County agree that they are required, with the Union supplying the bulletin boards or reimbursing the County for the cost of the board(s). All materials to be posted on said boards shall be in good taste, strictly impersonal in nature, and limited to the legitimate and lawful business of the Union. Prior to posting, any material shall be plainly and legibly initialed by an authorized representative of the Union.

A. Bulletin Board Content

Nothing shall be placed on bulletin boards that does not meet the above-mentioned criteria. In the event that the appointing authority believes that posted material violates the above criteria, they shall meet with a representative of the Union, preferably the steward whose initials appear on the material, to attempt to resolve the dispute. If the dispute is not resolved, the appointing authority and a Union representative shall then refer the matter to the Human Resources Director. If the Union is not satisfied with the decision of the Human Resources Director, the matter shall then be referred to the Chief Executive Officer (or designee).

8. Notice of New Employees

The County shall provide the Union with the names and departments of new employees on a monthly basis.

The information provided the Union shall be kept confidential.

9. New Employee Information and Orientation

Each new employee in a represented classification shall be given a written statement notifying him or her that the Union is the recognized employee organization for their classification. This statement shall include a space for the new employee's name, signature, and authorization to release their mailing address to the Union. The content and the form of this written statement shall be by mutual agreement between the County and the Union. Each new employee shall receive a copy of the Union's standard introductory packet, copies of which shall be provided by the Union.

The Union shall have the opportunity to make a presentation at each new employee orientation program presented by the County Human Resources Department where new bargaining unit employees are in attendance. The County has the right to agendaize this presentation and shall limit the presentation to no more than 15 minutes. The County has the right to attend the presentation of the Union.

10. Employee Lists

The County will provide the Union with a monthly data run of all represented employees showing each employee's name, department and section code, job classification, and employee status. The Human Resources Director and the Union's president or designee, may agree to reasonable modifications to the employee information to meet, if possible, the representational needs of the Union. The Union recognizes the legal right of each employee to the employee's privacy and agrees not to use any information obtained pursuant to this Memorandum; nor to allow others to use the information for commercial gain; nor in a manner that would violate those rights. With respect to this contractual commitment, the Union agrees to indemnify, defend, and hold harmless the County, its officers, employees and agents from any claim, liability or damage arising from the Union's breach of its duty under this Memorandum.

11. Contact by Union

A Union steward or business agent shall be entitled to contact all newly-hired employees for the purpose of providing the new employee with information about the Union. These activities shall be conducted on the Union steward's and the newly hired employee's own time and shall not interfere with the conducting of County business.

12. Union Stewards

The Union may designate Union stewards among employees in all bargaining units represented by the Union. Union stewards have the right and obligation to represent and assist individual employees as provided for in this Memorandum. The Union will provide the County's Human Resources Director with a current and updated list of

Union stewards. The County's Human Resources Director will notify department heads that have designated stewards in their departments.

The Union and the County agree that initial training for stewards will include the training of management representatives.

For the purpose of this Section, the term "discipline" shall be as defined in Article 2 of this Memorandum.

Duties required by the Union of its stewards, with the exception of attendance at formal meetings with the County, supervisory personnel, and/or aggrieved employees arising out of a pre-disciplinary investigation, or any meeting under the grievance procedure, shall not interfere with the Union stewards' or other employees' regular work assignments. No steward may leave duty or work for purposes of Union representation without the specific approval of the steward's supervisor or other authorized management official. Such release will not be capriciously or arbitrarily denied. The Union's request for release time shall not be made capriciously or arbitrarily and time demands for work on Union activities, or on any one employee, shall be within reasonable limits.

All time for the above recognized steward activity would be paid release time.

The Union and County agree that employee performance evaluation, or other meetings that do not include a discussion of discipline, will not create a right for steward representation or assistance at the meeting.

While the Union is free to choose its stewards from employees, it agrees that the number of stewards from any one department, division, or work area will not hinder effective working relationships or productivity and delivery of County services. Neither the County nor the Union shall interfere with, intimidate, coerce, or discriminate against employees or Union stewards for exercising their rights as granted under Government Code § 3502.

Section 3502 grants employees the right to form, join, and participate in the activities of an employee organization of their own choosing for the purpose of representation for all matters of employer-employee relations. They shall also have the right to refuse to join or participate in the activities of the Union and shall have the right to represent themselves individually in their employment relations with the County. (Note that the courts have held that the employee's right of self-representation is limited to a "right to be heard," to express their personal concerns through a grievance, or other existing appeal or communications procedure, and is not an enforceable right to meet and confer.)

The County and the Union recognize that the above language does not, and is not intended to grant additional protections that are not inherent under Government Code § 3502.

**13. Dues Check Off Deductions**

The County agrees to deduct all Union dues, member benefit program costs, insurance premiums, and assessments from the pay of those employees who have authorized that such deductions be made. The amounts deducted shall be remitted promptly to the Union, or its designees, with an alphabetical list of the employees from whom the deductions were made. The Union agrees to indemnify, defend and hold harmless the County, its officers, agents, and employees from any claim, liability, or damage arising from this provision.

**14. Payroll Deductions**

The Union shall have six (6) input deduction screen fields available at no cost for payroll deductions for programs or purposes sponsored by the Union and approved by the County. Any additional input screen fields needed by the Union during the stated duration of this Memorandum are subject to a service charge.

**15. Union Release Time Bank**

The County will grant a combined maximum of 200 hours of release time per fiscal year, with a maximum of 24 hours for any one employee per fiscal year, to be paid for by the Union, deducted from employee vacation, CTO or personal leave time, or deducted from a bank established from donations of vacation, CTO or personal leave time. At the request of the Union, the County shall consider requests permitting any one employee to exceed maximum of 24 hours per fiscal year. The County will match the first 40 hours of time donated by employees to

the bank. The County's contribution of 40 hours is restricted in its use to the training of Union Stewards to improve the handling of grievances and disciplinary issues. At no time shall deductions from the bank be allowed in excess of donated hours.

The Union President, or his/her authorized representative, shall be granted 32 hours leave per calendar year in addition to the 24 hour limit per employee, as stated above, using SEIU employee donated hours.

Upon request from the Union manager or designee, the County may authorize release time for Union Stewards and Officers to attend meetings and training not otherwise covered in this Memorandum of Understanding. The Union shall specify in the request whether the time to be used will be paid time or unpaid time. The Union shall provide a monthly reporting to the Human Resources Director including the names and hours used by employees during County work hours. In all cases release time shall not unreasonably interfere with a department's operation, and Union members shall secure permission from their supervisors before leaving work assignments. Requests for release time shall not be unreasonably denied.

## **ARTICLE 5. MANAGEMENT RIGHTS AND RESPONSIBILITIES**

### **1. Definition of Management Rights**

Subject to applicable laws, it is the exclusive right of the County to determine the purpose or mission of each of its constituent departments, boards, and commissions; set standards of service to be offered to the public; and exercise control and discretion over its organization and operations. It is also the right of the County to direct its employees; take disciplinary action for just cause; relieve its employees from duty because of lack of work or for other legitimate reasons; determine whether goods or services shall be made, purchased, or contracted for; and determine the methods, means, and personnel by which the County's operations are to be conducted. The County has the right to take all necessary actions to maintain uninterrupted service to the community, provided that the exercise of these rights does not preclude employees or their representatives from meeting and conferring with the County on the impact of County actions on matters within the scope of representation pursuant to Government Code § 3500 et. seq. and applicable law.

### **2. Management Conduct**

Management is expected to conform to the standard of conduct expected of public employees and is expected to refrain from activity which is in violation of federal, state, or county law, or the County Employer-Employee Relations Policy.

## **ARTICLE 6. HOURS AND OVERTIME**

### **1. Application**

This Article is intended only as a basis for outlining standards for hours of work, work schedules, and a basis for calculating overtime payments. Hours specified under types of employment indicate a commitment by the County to minimum and maximum hours each employee is to be regularly scheduled, as long as there is sufficient work.

### **2. Definition of Types of Employment**

#### **A. Permanent Types of Employment with the County.**

- 1) Full-Time: An allocated position that is regularly scheduled for eighty (80) hours of work per pay period. Additional definitions can be found in County Code - Title 3 - Personnel Chapter 3.04.
- 2) Part-Time: An allocated position that is regularly scheduled for less than eighty (80) hours per pay period. If the Board of Supervisors by resolution, after fulfilling meet and confer obligations, designates a standard work week of less than forty (40) hours a week, "part-time" service shall consist of a weekly or pay period schedule which is less than the standard number of hours per week.

#### **B. Non-Permanent Types of Employment with the County.**

##### **1) Extra-Help:**

- Extra-help is a generic term for a non-allocated position used to fill unanticipated, temporary, infrequent or occasional employee needs of a department or the County.

- An extra-help position is at-will. Employees in extra help assignments do not gain seniority or other property rights and are not eligible for other benefits normally associated with a County Civil Service classification.
- Extra-help should not normally be used when the staffing need for a position is regular, scheduled, or routinely anticipated, or is a, frequent, predictable, or constant factor that could be calculated into a department's annual budget request, and could be appropriately assigned to a fully trained permanent or regular employee.

2) Temporary:

- A temporary position is an extra-help position that is limited in time and scope, usually for a particular project, and frequently of short duration, rarely longer than 6 or 12 months, or is used for an extended period of time to assist on or complete a particular project or assignment that has a clear end or completion date [such as a grant funded project].

3. Work Schedules

The County reserves the right to establish and modify work schedules after meeting and conferring with the Union.

4. Flex-Time Schedule

The County reserves the right to utilize a flextime schedule. An employee and the employee's appointing authority must agree to the assignment to flextime. Employees assigned to a flex-time schedule will be eligible for compensation for overtime when required by law or when the employee's pay status hours exceed forty (40) in the employee's regular seven (7) day work period or in excess of a normal full-time daily work shift. The County reserves the right to discontinue the flextime schedule and reassign an employee to a normal daily work schedule based on the operational needs of the department. It is not the intent of a flex schedule to require an employee to work beyond their regularly scheduled hours (i.e. overtime) and then adjust other regularly scheduled hours within the same pay period to avoid overtime, unless agreed to by the employee.

5. Posting of Work Schedules

For the convenience of employees, changes in normal work schedules will be posted in advance.

6. Changes of Schedule

Except when operational emergencies arise, notice of a change in an employee's work schedule – other than for changes caused by a transfer, re-assignment or promotion- will be given to an affected employee not less than five [5] calendar days prior to the effective date of the schedule change.

Lunch time may be assigned by the department or supervisor any time from three [3] to five [5] hours after the start of the employee's shift or work day, and does not require a five day notice to change, unless the employee has notified his or her supervisor of a scheduled appointment that cannot be timely changed on short notice.

An employee may agree to any schedule change – and waive any notice requirement.

Unless the change in schedule has been requested or waived by the employee, failure to give the five [5] calendar days' notice to a full-time employee shall entitle the affected employee to compensation equaling one-and-one-half (1½) times the employee's base hourly rate for all hours actually worked on the new schedule which are exclusive of the old schedule until five [5] calendar days' notice has been achieved. However, for each such hour worked that constitutes statutory overtime, compensation shall be based on the regular rate of pay so that one-and-one half (1½) time is not compounded upon one-and-one-half (1½) time.

7. Overtime

It is the policy of Mendocino County to avoid the necessity for overtime whenever possible. When overtime work is necessary to provide County service, such overtime shall be compensated as provided below. Overtime for the non-exempt employee is divided into statutory overtime and non-statutory overtime.

No employee shall work overtime unless authorized by the employee's designated supervisor.

After the twelfth consecutive hour, no employee shall be required to work mandatory overtime.

A. Statutory Overtime

Statutory overtime for the non-exempt employee is defined as all hours worked in excess of forty (40) hours in a regular seven (7) day work period, or all hours worked in excess of a normal full-time daily work shift.

B. Non-Statutory Overtime for the Non-Exempt Employee

Non-statutory overtime for non-exempt employees is defined as hours in pay status in excess of forty (40) hours in a seven (7) day work period or hours in pay status in excess of the normal full-time daily work schedule established by the appointing authority, or any other circumstance except Article 6.7.A, where overtime pay is provided for non-exempt employees elsewhere in this Memorandum. Except for the Elections Department, overtime is also defined as hours actually worked on the seventh consecutive full (8, 9, or 10) hour day and any consecutive full (8, 9, or 10) hour days worked thereafter; however, individual employees may waive such overtime with the consent of the Union.

C. Flexible Time Off for FLSA Exempt Employees

Flexible Time Off (FTO), computed at the direct rate of one times the hours worked beyond the regular forty (40) hours per week by Exempt service employees, may be accumulated to a maximum of forty-eight (48) hours. Accumulated FTO hours may be taken by an employee as time off with pay upon the request of the employee and approval of the appointing authority. Accumulated FTO hours shall not be paid at any time. The choice of using Flexible Time Off, Vacation Leave, or Personal Leave for an approved absence from work is at the election of the employee.

8. Overtime Not Cumulative

Overtime eligibility provisions are not cumulative. An employee shall not be entitled to multiple overtime compensation even though more than one of the conditions set forth above may apply with respect to a particular unit of time.

9. Assignment of Overtime

Employees who wish to work discretionary overtime may notify the supervisor in writing of their availability.

In non-emergency situations, the department head or designee will assign overtime to employees on the availability list, on a rotating basis, with as much advance notice as is reasonably possible.

Except in emergency operations, or in the Elections Division of the County Clerk's Department during an election, no bargaining unit employee shall be required to work in excess of sixteen (16) hours in a twenty-four (24) hour period.

The department may consider such factors as – but not limited to – location of work assignment, the type of work activity, level of supervision needed by the employee, the skills needed to perform the work, and availability of the employee.

The “availability list” will include all employees who request to be on said list, who meet the minimum job requirements, and who are routinely assigned to duties similar to those required in the overtime assignment.

When an overtime assignment is accepted, the County shall indicate the method of payment. (i.e. cash or compensatory time off).

Overtime in the Department of Transportation will routinely be assigned first to the appropriate Yard Supervisor, who has been assigned a vehicle for the purpose of responding to emergencies. Additional personnel needed after the initial response and assessment by the Yard Supervisor will be assigned in accordance with the overtime provisions above.

10. Overtime Compensation for Non-Exempt

All overtime shall be earned at the rate of one-and-one-half (1-½) hours for each one overtime hour worked. Overtime compensation for non-exempt employees will be payable with compensation for the pay period in which

the regular workweek ends or later as permissible by law.

Non-exempt employees shall be compensated for overtime earned either in cash or as compensatory time off. Statutory overtime shall be compensated in accordance with law utilizing all permissive credits. Non-statutory overtime earned shall be compensated either in cash or as compensatory time off.

Unless an employee agrees, an appointing authority will not assign overtime work and require the employee to flex their regular work schedule in the same pay period to avoid overtime.

**11. Compensatory Time Off (CTO)**

Compensatory time off (CTO) shall not be confused with “flex-time”. Compensatory time strictly refers to an alternate form of compensation for overtime work and shall be paid at one and one half (1 ½) times the base hourly pay rate. An appointing authority will not assign overtime work and require the employee to flex their regular work schedule in the same pay period to avoid overtime.

**A. Approval for Compensatory Time Off**

No employee shall take compensatory time off without prior approval of the employee's appointing authority. The appointing authority shall attempt to schedule such time off at the time agreeable to the employee.

**B. Cash Pay Only**

When forty-eight (48) hours of compensatory time are accumulated, the department will compensate the employee in cash for any additional overtime worked.

Unused CTO shall be paid out in pay period 13. Notification of pay out date shall be provided to all employees upon hire.

**C. Payment at Separation**

Each employee who is separated from County service shall be entitled to payment for accrued compensatory time at the employee's base hourly rate at the time of the employee's separation, or in accordance with law.

**12. Rest Period**

Each department head shall grant rest breaks to employees, except where unusual operational demands prevent a rest break. Rest breaks will not be unreasonably or consistently denied. The rest period shall not exceed fifteen (15) minutes in any four (4) consecutive hours of work and shall be considered as time worked.

**13. Duty-Free Meal Period**

Employees shall be granted a duty-free meal period during each work shift that exceeds six (6) consecutive hours. The duration of the meal period may be not less than thirty (30) minutes nor greater than sixty (60) minutes and will be scheduled as near to the middle of the work shift as reasonably possible. Different meal periods may be assigned to different work units in the same County department or division. Duty-free meal periods shall not be considered as time worked.

**14. Non-Duty-Free Meal Period**

E. Maintenance and Improvement of Benefits

- 1) The benefits described in this section and the pertinent plan documents shall be maintained during the term of this MOU.
- 2) The County agrees to on-going negotiations with the County's providers to develop further network savings.
  - (a) The County will negotiate existing and future provider contracts including physicians, hospitals treatment facilities and any other medical services that are under contract with the County of Mendocino. The County will investigate the feasibility of broadening our pool of insured persons by forming a cooperative venture with other public employers for the purpose of increasing our leverage with insurers and providers and for the purpose of spreading risk.

F. Opt Out

Employees may opt out of the County health insurance by providing proof of another insurance and completion of the "opt out" form. Employees who opt out of the County's health insurance plan are no longer eligible for the County-paid life insurance coverage but may purchase individual life insurance coverage through the County's supplemental plan provisions. Employees can re-enroll in the Health Plan, which includes re-enrollment in the County paid life insurance coverage, during the annual open enrollment or during a qualifying event.

G. Domestic Partner

The County of Mendocino will offer medical, dental and vision coverage to domestic partners as "Domestic Partner" is defined by the State of California Family Statute, Code Section 297 (as amended).

To be eligible, an employee must comply with the following conditions:

- Employees and their Domestic Partner must register with and be certified by the State of California; and
- The employee must complete and submit the County's Health Plan Enrollment Form and provide a copy of the State Certification of Domestic Partner Registration at time of application to the Human Resources Department.

It is understood that the IRS does not (currently) recognize Domestic Partners as a spouse or dependent for federal income tax purposes. Therefore, it is understood that any additional taxes incurred by registering a Domestic Partner will be the sole financial responsibility of the employee. Further, it is also understood that dependents of an employee's Domestic Partner are covered in this agreement, as provided by law. The County of Mendocino will endeavor to implement any changes in the Domestic Partner tax law as they occur in a timely manner.

This benefit will terminate upon termination of the Domestic Partnership pursuant to *Family Code Section 299*.

## 2. General Retirement Benefits

The County will provide retirement information to each new employee upon initial employment.

A. Retirement Benefit

Effective October 2003, the County implemented the formula in Government Code Section 31676.12 (2% at 57 retirement formula) for all non-safety classifications represented by the (SEIU) Service Employees International Union Local 1021 that are not defined as "new members" under the Public Employees' Pension Reform Act of 2013 (PEPRA).

The County will pay for future service at the same ratio (percentage) as previously established prior to the adoption of the formula in Government Code section 31676.12. In this regard, and as the retirement benefit has increased the employee retirement cost will increase to reflect the benefits enumerated under Government Code, section 31676.12, of the retirement formula. However, this formula shall not apply to persons who are defined as "new members" under PEPRA.

Employees who are defined as “new members” under PEPRA will constitute a new tier. “New members” will be subject to all applicable PEPRA provisions, which includes the 2% at 62 formula.

**B. Service Buy-back**

Employees may buy-back past service with Mendocino County at their own cost, which includes both the employee and the employer’s contribution.

- 1) The Retirement Board shall arrange the costs, rates, procedures and time limits to exercise this buy-back option and the actuarial firm retained by the Retirement Board, and administered by the Retirement Deputy.
- 2) Retirement contributions made by or bought back by the employee shall be credited and accrue to the employee's account and become a vested interest of the employee.

**C. New Tier for New Employees**

SEIU 1021 agrees the County has the right to implement a new, lower tier retirement formula for employees hired after the effective date of the new tier, subject to PEPRA. Prior to the County adopting a new lower tier retirement formula, the County and SEIU Local 1021 will meet and discuss what benefit level(s) the County is considering.

The Employee Assistance Program is available for all County employees and their family members, who are covered

by the County health plan, who may be experiencing problems in the workplace, or family crisis, chemical dependency, or other personal problems. Primary care physician referral is not necessary to access the EAP, and all services are strictly confidential. The first six (6) visits to the EAP are free to the employee and their family members. Please refer to the Mental Health Section of the Plan for procedures relating to Mental Health care after an employee has completed the number of visits available through the EAP.

A. EAP Confidentiality

Participants in the EAP program shall be guaranteed confidentiality.

No employee will be required to waive his or her confidentiality as a condition of participation in the EAP program.

2. On-the-Job Injury

An employee who is entitled to any temporary disability indemnity due to an injury or illness arising out of, and in the course of employment, and such injury is covered under the Worker's Compensation provisions of the Labor Code, may use as much accumulated sick leave as, when added to the disability indemnity, will result in a payment of their full salary.

An employee going on leave without pay due to on-the-job injuries will not suffer a break in seniority, but shall have their merit salary anniversary date delayed by as many pay periods as the leave without pay shall last. The County will continue to pay the employee's group insurance premium (employee only) for the duration of the leave without pay, but not to exceed a period of six (6) months for any single injury.

The waiting period for employees disabled out of or in the course of employment before an injured employee may begin collecting temporary disability payments shall be three (3) days. Such days shall be charged against sick leave or other applicable accrued leave time unless the employee is hospitalized as a result of the disability or the disability lasts for more than fourteen (14) days.

3. Class A/B Driver's License - Physicals

The County will provide physicals required for the renewal of the medical certificate required to maintain a Class A or Class B California driver's license for those employees in classifications where such license is required.

4. Direct Deposit

The County will continue to make a deposit of participating employees' paychecks directly to the employees' accounts in the participating financial institutions.

5. Labor- Management Committee

The County agrees to convene a Labor-Management Committee (LMC) to meet no less frequently than once a quarter. The parties may schedule LMC meetings more frequently by mutual agreement. The Labor-Management Committee will meet the second Thursday in months when LMC is meeting. Up to six bargaining unit employees will be provided with release time to attend the LMC. The LMC agenda will be composed of identified labor-management issues. The LMC will establish groundrules for the Committee. All parties agree their designees will receive training.

The LMC will not convene when the parties are in actual labor negotiations.

## **ARTICLE 17. EMPLOYEE SAFETY**

1. Injury Prevention Program

The County and the Union agree that the Mendocino County Injury Prevention Program is incorporated as a part of this Memorandum. The County shall provide one complete copy of the County's Injury Prevention Program Manual at each work site.

A. Injury Prevention Program Description

The County of Mendocino will establish responsibilities, provide funding, and adopt procedures and guidelines for the maintenance of an effective safety program, in compliance with federal, state, and local laws. The Injury Prevention Program of the County serves as the mechanism for the implementation of this program.

The County will provide a safe work environment for all its employees, and the County will protect the safety of the general public near its facilities and operations within reasonable economic and technological constraints. The County does not believe that it is practical or possible to eliminate every safety risk in the workplace.

The County will:

1. Identify responsibilities for implementing the Injury Prevention Program.
2. Maintain procedures for identifying and evaluating workplace hazards.
3. Maintain procedures for correcting unsafe conditions and work practices tempered by economic and technological constraints in a timely manner.
4. Provide a system for communicating with employees on safety matters, to include a method by which employees can report hazards to the County without fear of reprisal.
5. Instruct employees in general safe work practices and in specific safe work practices with respect to hazards unique to each employee's job assignment.
6. Maintain a system for ensuring compliance with safe work practices.
7. Maintain active Safety Council charged with oversight for the Injury Prevention Program. The Safety Council will include representation by a designee and an alternate designee of the Union.

The continual cooperation of all employees is necessary to support and sustain an effective safety program. Employees are encouraged to report hazards and offer suggestions for improving safety in the workplace. No adverse action will be taken against any employee for reporting safety problems.

2. Safety Issue Disputes

Disputes as to workplace safety shall be resolved in accordance with the Injury Prevention Program.

3. Safety Apparel

All employees shall be issued safety apparel appropriate to the task assigned as designated by the appointing authority. Safety equipment provided for under this Article will be reissued as needed upon certification by the department head.

4. Safety Glasses

The County shall provide employees with safety prescription glasses (glasses only, not prescription examination) whenever the Cal/OSHA or other state or federal regulations require safety glasses. The County will not provide replacements for broken lenses or frames unless such breakage is the result of an on-the-job accident.

## **ARTICLE 18. DISCIPLINARY ACTIONS**

### Disciplinary Actions

1. Definitions

A "disciplinary action" includes the following actions: dismissal, demotion, or suspension without pay.

For the purposes of this Section a "working day" is defined as a day in which Mendocino County administrative offices are open to the public.

2. Right to Representation

Whenever disciplinary action is initiated by the Appointing Authority, the employee shall be advised by the employer that she or he has a right to a union representative at all stages of discipline.

3. Notice of Charges

To initiate disciplinary action against a permanent Civil Service employee, the appointing authority must submit to the employee a written Notice of Intent to Take Disciplinary Action and file a copy with the Human Resources Director. The Notice must state specifically the reason(s) for the action with accompanying documentation and explain the employee's "Skelly" rights of appeal.

A. Rights of Access

The employee shall be given access to copies of all materials supporting the proposed action and shall be provided with copies upon request.

B. Request for "Skelly" Hearing

The employee may appeal the proposed action and request a hearing by responding in writing to the appointing authority within five (5) working days of receipt of the Notice. Upon receipt of timely response, the appointing authority shall schedule and conduct a "Skelly" hearing as soon as possible.

C. Conduct of Skelly Hearing

The appointing authority shall be the hearing officer at the informal "Skelly" hearing. Upon consideration of all materials and discussions presented at the hearing, the appointing authority may determine to uphold, modify, or revoke the proposed disciplinary action.

4. Order of Disciplinary Action

If the employee does not respond to the Notice of Intent within the prescribed time limits, or if, after hearing, the appointing authority determines that disciplinary action is appropriate, the appointing authority shall submit to the employee a written Order of Disciplinary Action. The Order shall state the proposed action, the reasons for the action, and the employee's rights of appeal.

A. Appeal of Order of Disciplinary Action

The employee, within ten (10) working days after the Order is furnished to the employee, may appeal the Order in writing to the Civil Service Commission. The Appellant, the County, and the Civil Service Commission shall submit such appeal to the Human Resources Director who shall schedule the matter for hearing by the Civil Service Commission within twenty (20) working days of the submittal date, or a specific date that is mutually agreed upon. The agreed upon date shall be confirmed in writing to all parties.

Within twenty (20) working days from filing an appeal, the Commission, or its referee, shall hold a hearing which may be continued from time-to-time, and at the conclusion thereof either affirm, modify, or revoke the Order. The appellant may appear personally and have a public hearing if it is desired. Both the appellant and the County may produce evidence and be represented by counsel at each party's own expense. If the Commission appoints a referee, a complete transcript shall be made and presented to the Commission.

B. Order of Disciplinary Action for Merit System Employees

See Articles 7 and 8 of the Local Agency Personnel Standards (LAPS) Manual.

5. Hearing

At any hearing or investigation conducted by the Mendocino County Civil Service Commission, or its referee, the Commission, or its referee, shall have the power of subpoena and may require the attendance of witnesses and the production thereby of books, records, and other documents pertinent to the hearing and/or investigation. Each commissioner, or referee, shall have the power to administer oaths to witnesses. The Commission may employ a hearing officer, or referee, to act as the presiding officer at hearings and specify the rules of evidence in force.

Any decision by the Commission shall specify a finding as to each ground, and the finding and decision shall be certified to the appointing power whose action was the subject of the hearing and be forthwith enforced and followed. If an order of suspension, dismissal, or reduction in rank or compensation served upon an employee is reversed or modified by the Commission, such employee shall be restored to their previous position with all rights and privileges pertaining thereto except as the decision may affect the employee's status. The employee who is restored to their position shall be entitled to back pay from the date of termination, less any contributions to retirement and salary earned, from other employment earned during the pendency of the appeal.

6. Pay Decrease as a Result of Disciplinary Action

The pay of an employee may be temporarily decreased to a lower step within the pay range established for the classification.

The temporary reduction in salary step shall in no event exceed the monetary equivalent of a two hundred and forty (240) hour suspension without pay.

A. Appeal of Pay Decrease

An appeal concerning a pay decrease shall not follow the grievance procedure but shall follow, instead, the disciplinary provisions of Article 18 of this Memorandum.

## ARTICLE 19. GRIEVANCE PROCEDURE

### 1. Purpose

The County and the Union agree to this Grievance Procedure in order to provide an orderly procedure to promptly resolve grievances of employees covered by this Memorandum.

### 2. Definitions

A grievance is a claim by an employee(s) or the Union (1) concerning or alleging that a written Countywide rule, regulation, resolution, ordinance, policy, procedure, **OR** (2) provision of this Memorandum, has been violated or misapplied to the disadvantage of the employee or the Union. Excluded from this definition is:

- An allegation intended for the purpose of changing a written County-wide rule, regulation, resolution, ordinance, policy, procedure, or provision of this Memorandum; or,
- An allegation for which appeal is already provided in Civil Service Rules or the Mendocino County Code.

#### A. Working Day Defined

For the purpose of this Article, a "working day" is defined as a day in which Mendocino County administrative offices are open to the public.

### 3. Standing to Initiate Grievance

An individual employee(s) or the Union on the behalf of an employee(s) who, in good faith, has an actual grievance with the County over a grievable matter as defined in Article 19.2 may file a grievance.

At any step of the grievance procedure, the employees may represent themselves, or may be represented by a Union representative, who may be a County employee (excluding their supervisor or manager).

### 4. Grievance Procedure-Initiation

The grievance must be initiated within ten (10) working days from the date of the action or occurrence-giving rise to the grievance, or within ten (10) working days of when the grievant knew of, or could have reasonably discovered, such action or occurrence.

### 5. Time Limits

Time limits specified in each step of the procedure shall be strictly observed and may only be extended by mutual agreement of the parties in writing.

Failure of a grievant to observe a time limit shall terminate the grievance. Failure of the party to whom the grievance is submitted to observe the time limits shall give the grievant the right to move the grievance to the next level.

### 6. First Step

The grievance shall first be discussed on an informal basis by the grievant with the grievant's immediate supervisor within ten (10) working days from the date of the action causing the grievance, as provided in Article 19.4 above. The immediate supervisor shall respond within ten (10) working days. Every effort shall be made by the parties to resolve the grievance at this level and may include conferences among supervisory or administrative personnel. Such discussions will be held, whenever possible, during the grievant's work hours.

### 7. Second Step

In the event the employee believes the grievance has not been satisfactorily resolved, the employee shall submit the grievance in writing, with a copy to County Human Resources and the Union, to the next level supervisor within ten (10) working days after receipt of the immediate supervisor's response. Such written grievance shall:

- A. Fully describe the grievance and how the employee was adversely affected by the County;
- B. Set forth the written County-wide rule, regulation, resolution, ordinance, policy, procedure, or provision of this Memorandum, that has been allegedly violated;
- C. Indicate the date(s) of the incident(s) grieved; and
- D. Specify the remedy or solution to the grievance sought by the employee.

#### E. Response to Second Step

- a. The written grievance shall be responded to in writing by the responsible supervisor within ten (10) working days from the time the written grievance is received, and a copy sent to County Human Resources and the Union.

The written response shall include:

- 1) A complete statement of the supervisor's position and the facts upon which it is based; and
- 2) The remedy or correction that has been offered, if any.

If the grievant is not satisfied with the response at Step Two, the grievant may appeal the decision to the department head, with a copy to County Human Resources and the Union within ten (10) working days of receipt of the written response at Step Two.

#### 8. Third Step

Within ten (10) working days after receiving the completed grievance form, the department head, or their representative, shall meet with the employee and shall discuss the grievance. The department head shall give their decision within ten (10) working days after the discussion and send a copy of the decision to Human Resources and the Union.

Should the employee remain aggrieved, the decision of the department head may be appealed to the Binding Arbitration (Step Four). Such appeal must be made within ten (10) working days of receipt of the written decision of the department head.

##### A. Mediation

Prior to a grievance moving to Step Four, either party may request the assistance of a mediator from the State Conciliation & Mediation Service in an attempt to resolve the grievance. The mediator shall have no authority to resolve the grievance. If the grievance is not resolved, discussions during mediation shall not be admissible in any subsequent hearing.

#### 9. Fourth Step

If the grievance is not settled following completion of the Third Step of the grievance procedure, the Union may request binding arbitration. The request for binding arbitration must be submitted to the Human Resources Director, in writing, within ten (10) days of receipt of the response from Step Three.

An arbitrator may be selected by mutual agreement of the County and the Union. Should the parties fail to agree on an arbitrator, they shall make a joint request to the State Conciliation Service for a list of five (5) qualified arbitrators. The arbitrator shall be selected from the list by the parties alternately striking names, with the opportunity to strike determined by chance.

All documentation supporting the parties' positions shall be filed at least ten (10) days before the hearing with the arbitrator.

The arbitrator shall not have power to alter, amend, change, add to, or subtract from any of the terms of this Memorandum of Understanding. The decision of the arbitrator shall be based solely upon the evidence and arguments presented to the arbitrator by the respective parties. The decision of the arbitrator shall be final and binding upon the parties.

The cost of employing the arbitrator shall be borne equally by the parties. All other costs such as, but not limited to, attorney's fees and witness fees shall be borne only by the party incurring that cost.

##### Court Reporter/Transcript Fees

If a court reporter is requested, the requesting party is obligated to pay for the services of the court reporter.

Cost of transcript copies shall be borne by those parties requesting copies.

#### 10. Non-Retaliation

Employees who file a grievance or who participate in a grievance procedure shall be free from harassment or retaliation as a result of filing or participating in a grievance.

#### 11. Maintenance of Performance Standards by Grievant

Employees who file a grievance are in no manner excused or exempt from performance standards of the job. Job

performance standards will be maintained throughout and following any action undertaken as a result of this grievance procedure.

12. Award Limit

The arbitrator's award shall be binding upon the Union. To the extent that the award of the arbitrator is not in excess of \$2500 per individual grievant, it is advisory. If within sixty (60) days of receiving notice of decision and award requiring an expenditure in excess of \$2500 per individual grievant, final action is not taken by the County to implement it, then the arbitrator's decision and award shall have no force or effect whatsoever as to the amount in excess of \$2500 per individual grievant. The Union may then resort to a court of competent jurisdiction to pursue other available legal remedies.

## **ARTICLE 20. FAIR SHARE**

1. Fair and Equal Representation

It is recognized that the Union must provide fair and equal representation to all employees in all represented classes. Employees who are not members of the Union benefit from Union representation. This Fair Share Service Fee Article will, therefore, apply to all employees covered by this Memorandum who choose not to join the Union. A Fair Share Service Fee is established pursuant to Hudson procedures.

Under this Fair Share Service Fee Article, union membership remains voluntary. If an employee decides not to join the Union, the employee shall pay the Fair Share Service Fee as provided in this Article. Such Service Fee shall pay for the chargeable services rendered by the Union.

2. Employees Subject to Fair Share Agency Shop Service Fee

All represented County employees shall be subject to a Fair Share Agency Shop Service Fee. Effective July 1, 2007, this shall include people in supervisory classifications and extra help positions.

3. Part-time Employees

Employees who work less than full-time are subject to the Fair Share Agency Shop Service Fee. The Service Fee shall be set on a pro-rata basis expressed as a percentage of gross wages.

4. Enactment of Fair Share Agency Shop

A Fair Share Service Fee consistent with state law will be effective the first pay period following ratification of this Article by the Board of Supervisors and ratification by the employees. The State Mediation and Conciliation Service will conduct the employee ratification vote. Employee ratification will require an affirmative majority of the ballots cast. The balloting will be conducted among all /SEIU Local 1021 members who are eligible to vote under the Union's by-laws and all other represented employees who will, upon enactment, are subject to the terms of this Article.

5. Payroll Deduction

As a condition of employment, all employees who are not Union members are subject to the Fair Share Agency Shop Service Fee and shall have, on a bi-weekly basis, a payroll deduction for such Service Fees.

6. Periods of Separation

The County shall not deduct Service Fees during periods that an employee is separated from the bargaining unit, but shall reinstate Service Fees upon the return of the employee to the bargaining unit. The term separation from the bargaining unit includes transfer out of the unit, layoff, promotion, demotion, reclassification, leave of absence of a duration of more than one full pay period (whether paid or unpaid), and for any other lawful reason, including disability.

7. Reporting

Along with the payroll deductions, the County will send the Union an alphabetical listing of the employees from whom deductions were made, the amount of the deduction, and the names of any employees transferred out of the bargaining unit, laid off, or on leave without pay for more than thirty (30) days, including information on the length of time of the leave of absence.

8. Exception

The only exception to the payment of a Fair Share Service Fee is as follows:

An employee may execute a written declaration stating membership in a bona fide religion, body, or sect that has historically held a conscientious objection to joining or financially supporting any public employee organization as a condition of employment.

An employee granted such exception must pay a sum equal to the Fair Share Service Fee to a non-religious, non-labor, charitable fund (exempt from taxation under Section 501(c)(3) of the Internal Revenue Code), chosen by the employee from those charities listed with United Way, Combined Health Appeal of California, or the American Red Cross.

9. Fee Structure

Any employee currently employed or hired into the bargaining unit covered by this Memorandum who is not a member of the Union shall, beginning with the third full pay period after individual written notice has been given in accordance with Article 20.13, and until the expiration of this Article, pay to the Union a Fair Share Agency Shop Service Fee for services rendered by the Union. The Service Fee shall be equal to the monthly dues of regular membership, less non-chargeable costs as defined in Article 20.11, and/or by statutory or case law, but in no event to exceed ninety-five percent (95%) of the regular membership dues.

The Union shall have the exclusive right to decide and determine whether any such action or proceeding referred to in the above paragraph shall or shall not be compromised, resisted, defended, tried, or appealed, but shall consult with the County prior to making any such decision or determination.

10. Chargeable Costs

To the extent authorized by law, the costs of the Union's collective bargaining activities shall be considered by the Union when making a determination of the amount of the Fair Share Agency Shop Service Fee authorized by this Article. Examples of chargeable costs include, but are not limited to: (1) expenditures for labor contract negotiations (e.g., the fees and expenses of the Union representative and support staff, including research of and preparation for negotiating matters within the scope of representation); and (2) expenditures for administration of contracts (e.g., meetings and discussions with management concerning grievances under the Memorandum, meetings with employees as part of grievance resolutions, and costs of representatives and staff support for arbitrations, including costs for research and preparation).

11. Non-Chargeable Costs

Currently, the following activities are not included in the calculation or determination of the Fair Share Agency Shop Service Fee:

- A. Lobbying or other political activity, except as authorized by law;
- B. Payments to affiliates, except for chargeable costs as authorized by law;
- C. Social activities, except as authorized by law;
- D. Charitable and philanthropic activities;
- E. Insurance and other benefit programs, except as authorized by law; and,
- F. Any cost that, by law, cannot be included in a Fair Share Agency Shop Service Fee.

12. Deduction of Non-chargeable Costs

All non-chargeable costs will be deducted from the Fair Share Agency Shop Fee prior to such Fees being collected.

13. Advance Notification

No Fair Share Agency Shop Service Fee shall be collected from any employee until the employee has received written notice sent by certified mail from the Union, which includes legally adequate audited information concerning the breakdown of "chargeable" and "non-chargeable" expenses, and a reasonably prompt opportunity to challenge the amount of the fee before an impartial decision-maker.

Specifically, such notice shall, at a minimum, include an accounting report prepared, signed, and verified by an independent auditor, who is a certified public accountant, for the overall purpose of providing a detailed itemization of the expenditures of the Union so an employee may reasonably be able to determine what the Union spends on both chargeable and non-chargeable items and consider whether expenses designated as chargeable are related to the Union's collective bargaining functions. However, this requirement can be met without requiring or allowing non-members, or the County, to become the Union's auditors. The accounting will utilize data from the prior fiscal year. At a minimum, this accounting report must:

1. State the amount of the Fair Share Agency Shop Service Fee and provide an overview of how the accounting reports were translated into calculation of this fee;
2. Disclose the Union's major categories of expenses, including employee compensation, specifying the actual expenditures within each category and the amount spent in each expenditure for chargeable items and non-chargeable items; each major category and the allocations of expenditures therein for chargeable and non-chargeable expenses must be verified by the auditor;
3. Disclose what percentage of total Union expenditures is allocable to chargeable items and what percentage is allocable to non-chargeable items;
4. State the total sum of money the Union pays affiliates and demonstrate what percentage of such money is used for chargeable and non-chargeable activities;
5. Disclose what percentage of regular membership dues is allocable to chargeable items and what percentage is allocable to non-chargeable items and, consequently, what percentage of dues will be collected as the Fair Share Agency Shop Service Fee; and,
6. Explain the methodology used in producing the Union's accounting report. To enable the independent auditor to prepare the accounting report, the Union shall provide the auditor access to all records reasonably necessary for such a preparation, including a record of the employee's activities in sufficient detail to enable the auditor to make the necessary determination of chargeable or non-chargeable items. In the event that payments are made to any other organization, the auditor shall be provided access either to such organizations' records or relevant audited financial statements when reasonably necessary to prepare the above accounting.

#### 14. Filing a Challenge

Instructions on filing a challenge to the amount of the Fair Share Agency Shop Service Fee with the Union shall, at a minimum, provide the following:

1. Non-members who wish to challenge collection of the Fair Share Agency Shop Service Fee because the amount identified allegedly contains expenditures for non-chargeable activities must file an objection letter with the Union within thirty (30) calendar days of receipt of notice (notice shall be rebuttably presumed to have been received no later than five (5) calendar days after it is postmarked). A non-member may file a letter by presenting it to the Union business office in person or by certified mail, return receipt requested. The non-member shall provide a copy of the letter to the Human Resources Director within three (3) calendar days of its filing with the Union;
2. The letter shall be signed by the challenger, or the challenger's agent, under penalty of perjury, and must state with specificity the particular expenditures being challenged and the grounds for such challenge. The letter must contain the name and mailing address of the challenger;
3. While the challenge is pending, the amount of the Fair Share Agency Shop Service Fee reasonably in dispute shall be placed in an escrow account established by the Union;
4. Within thirty (30) calendar days after receipt, the Union shall schedule a date for arbitration, which shall be conducted in accordance with procedures established by American Arbitration Association. Pending the commencement of arbitration, the Union and the challenger may, by mutual agreement, attempt to resolve the dispute informally;
5. The arbitrator shall be selected in accordance with the procedures of the American Arbitration Association;
6. The Union shall have the burden of proving that the fee amount complies with this Article and applicable law; and,
7. The costs of the arbitrator and court reporter, if any, shall be borne entirely by the Union. The challenging employee shall be responsible for their own costs including, but not limited to, attorney fees and copies of the court reporter's original transcripts.

#### 15. Maintenance of Membership

Union members may terminate their membership in the Union by giving written notice to the Union and the County annually during the month of June. Thereafter, the employee will be subject to the Fair Share Agency Shop Service Fee.

#### 16. Union Obligations

The Union shall comply with all applicable statutory requirements and furnish any information needed by the County to fulfill its obligations under this Article.

17. Indemnification and Hold Harmless

The Union shall defend, indemnify, hold harmless, release and save the County, its agents and employees, from and against any and all claims, demands, suits, orders, judgments, expenses, or other forms of liability arising out of or in connection with this Article and/or any action taken or not taken by the County and/or the Union under this Article including, but not limited to, the collection and procedures for collection of Fair Share Agency Shop Service Fees and the amount of such Fees. This Article shall be in addition to any other remedy available to the County under this Memorandum, or provision of law.

18. Rescission of Fair Share Agency Shop

The implementation of the provisions of this Article shall not prohibit or restrict an election to rescind this Fair Share Article pursuant to Government Code § 3502.5, or its successor provision.

19. Record-keeping and Reporting

The Union shall comply with the financial record keeping and reporting requirements of Government Code §3502.5(d), or its successor provision.

20. Violation

If a court finds the implementation of this Article in violation of constitutional law, the Union shall have sixty (60) days to comply with the court's order or the County may thereafter cancel Article 20. In the interim, all collections of Fair Share Agency Shop Service Fees by way of payroll deductions by the County shall be suspended, except as allowed by the court. Also, except as allowed by the court, no unpaid Fair Share Agency Shop Fee that would otherwise have been due during the time such violation existed may be collected retroactively after the violation was corrected.

21. Exemption of Continuous Nonmembers

County employees who are in the bargaining unit and who are not members of the Union the first pay period following Board of Supervisors approval of this amended memorandum shall be exempt from Article 20 in its entirety for as long as they remain employed in this bargaining unit and remain nonmembers of the Union. However, this exemption shall not prohibit a nonmember in the bargaining unit from voluntarily paying the Fair Share Agency Shop Fee through payroll deduction.

**ARTICLE 21. FULL UNDERSTANDING, MODIFICATION, WAIVER**

1. Full Understanding

This Memorandum sets forth the full and entire understanding of the parties regarding the matters set forth herein. Any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

The parties recognize that existing County ordinances that have not been modified by this or previous Memorandums of Understanding shall remain in full force and effect until such time as the parties have met and conferred in good faith regarding any proposed changes as required under the Meyers-Milias-Brown Act.

2. Waiver

Except as specifically provided herein, it is agreed and understood that the Union voluntarily and unqualifiedly waives its right to and releases the County from any obligation to meet and confer on any subject or matter contained herein. The Union acknowledges that the County has fulfilled its obligations under Government Code §3505 for the length of this Memorandum for the matters contained herein.

3. Modification

No agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties hereto, unless made and executed in writing by the parties hereto, and if required, approved and implemented by the County's Board of Supervisors.

4. No Limit on Civil Service Commission Authority

Nothing in this Memorandum shall be construed to limit or remove the existing or future jurisdiction or authority of the Civil Service Commission.

5. Non-Precedent Setting

The waiver of any breach, term, or condition of this Memorandum by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

6. Invalidation (Separability)

If, during the term of this Memorandum, any item or portion thereof is held to be invalid by operation of any applicable law, rule, regulation, or order issued by governmental authority or tribunal of competent jurisdiction; or if compliance with, or enforcement of the item or portion thereof shall be restrained by any tribunal, such provision of this Memorandum shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Such invalidation of a part or portion of this Memorandum shall not invalidate any remaining portion that shall continue in full force and effect.

7. Replacement

In the event of suspension or invalidation of any article or section of this Memorandum, the parties agree, except in an emergency situation, to meet and confer within thirty (30) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such article or section.

**ARTICLE 22. TERM OF AGREEMENT**

This Memorandum shall be effective on July 1, 2015, and shall remain in full force and effect through and including June 30, 2017 and shall continue thereafter from year to year unless at least sixty (60) days prior to June 30, 2017 either party shall file written notice with the other of its desire to amend, modify or terminate this Memorandum of Understanding.
